

## QUARTERNOTES

**The Texas Horns** have released *Get Here Quick* (Severn), and it's a red hot platter! The Texas Horns are one of the most in-demand horn sections in all of music, for both recording and touring. The Horns are Mark "Kaz" Kazanoff on tenor sax, John Mills on baritone sax, and Al Gomez on trumpet. Over the past twenty years, they have played with a virtual who's who of roots music, and many of these artists show up on *Get Here Quick*, including folks like Curtis Salgado, Ronnie Earl, John Nemeth, and Carolyn Wonderland, to name just a few. It's a funky, soulful, sonic delight! Don't miss it! . . . Southern music shamen
